configuration / specification

Komfort's frameless glass doors increase natural light, allow for uninterrupted views and create a clean and contemporary finish to any space. Our frameless glass doors are available as a single or double doorset with either a pivoted, hinged or sliding application.

Eye-catching manifestations can be applied to all Komfort glass doors to add contrast, definition and interest. All frameless doors comply with the requirements of Document M of the Building Regulations.

Think partitioning, think Komfort.
